Welcome to ACE Enrichment Academy!

Unlock a World of Learning Possibilities!

ACE Enrichment Academy, a program of Alternate Community Education (ACE), invites students ages 2 to 19 to ignite their curiosity and grow through an array of classes. Our university-style approach empowers students to design their own school day, choosing from diverse, engaging courses that foster academic excellence, creativity, and personal development. Hosted at our Main Campus off Hwy 49, ACE Enrichment Academy offers a flexible, inspiring environment where every learner can thrive.

Program Overview: A Personalized Path to Growth

ACE Enrichment Academy redefines education by letting students curate their schedules from a rich menu of classes, blending academics, skills, and fun. Whether exploring art, technology, or outdoor adventures, students engage in hands-on, meaningful learning tailored to their interests. With four class hours and a dedicated lunch/recess break, the day is structured for balance and excitement. Key features include:

- **Customizable Schedules:** Students pick 1 to 5 hours of classes, crafting a day that fits their passions.
- **Diverse Offerings:** Past classes include art, history, cooking, horsemanship, robotics, languages, theatre, music, survival skills, and more.
- **Expert Instructors:** Courses are led by local business owners, degree holders, or field experts, ensuring high-quality, real-world learning.
- **Flexible Commitment:** Each class is a 16-week journey, allowing deep exploration while keeping options open.

From coding a robot to strumming a guitar, students leave each Monday inspired and empowered.

Age Groups and Schedule: Who Can Join?

ACE Enrichment Academy welcomes students ages 2 to 19, with classes thoughtfully grouped by age to match developmental stages and interests. Whether a toddler painting or a teen mastering coding, every student finds a course that sparks joy.

Program Details:

- **Day/Time:** Mondays, 9:00 AM – 2:00 PM
- **Semester Length:** 16 weeks, starting August 18th
- **Commitment:** Each class requires a 16-week commitment to ensure students fully engage in their chosen subjects.

Daily Flow:

The day offers five flexible hours, with students selecting:

- **Four Class Hours:** Choose one class per hour (9:00–10:00, 10:00–11:00, 11:00–12:00, 12:00–1:00, 1:00–2:00 depending on age) from age-appropriate options. Examples: robotics for teens, music for tots, or cooking for middle schoolers.

- **Lunch & Recess (11:00-12:00 or 12:00–1:00):** A one-hour break to eat, play, and socialize outdoors, fostering community.

Students can join for as little as one hour or stay for the full day, building a schedule that's uniquely theirs.

Curriculum Highlights: A World of Classes to Explore

ACE Enrichment Academy offers a rotating catalog of courses, ensuring something for every interest and age. While class lists vary each semester, students can expect a mix of academic, creative, and practical subjects taught by passionate experts. Past and potential offerings include:

- **Creative Arts:** Painting, theatre, or music classes to unleash imagination.
- **Academic Adventures:** History (e.g., ancient civilizations), geography, or foreign languages like Spanish or French.
- **Practical Skills:** Cooking, horsemanship, or outdoor survival (e.g., knot-tying, navigation).
- **Tech & Innovation:** Robotics, coding, or technology-based projects for future innovators.
- **Active Fun:** Recreation classes like dance or team-building games.

Fall Semester Snapshot: Starting August 18th, students might dive into watercolor art, learn a new language, build a robot, or master campfire cooking—each class a 16-week deep dive led by a skilled instructor. The university-style format lets students mix and match (e.g., history at 9:00, theatre at 11:00), creating a semester that feels fresh and exciting.

Every course emphasizes hands-on engagement, critical thinking, and personal growth, preparing students for life beyond the classroom.

Tuition and Fees: Flexible Costs for Flexible Learning

ACE Enrichment Academy is designed to be accessible, with pricing that reflects your child's unique schedule:

- **Semester Registration Fee:** \$100 (non-refundable, due at enrollment).
- **Supply Fees:** Vary by class, set by individual instructors (e.g., \$30 for art supplies, \$50 for robotics kits). Due at enrollment.
- **Semester Tuition:** \$160 per semester, per class hour. Examples:
 - 1 class (1 hour) = \$160 total
 - 2 classes (2 hours) = \$320 total
 - Full day (5 class hours) = \$800 total
- **Payment Plan:** Tuition can be split into five monthly payments starting July 1st (e.g., \$32/month per class hour), making budgeting easy.

These fees support our expert instructors, quality materials, and campus facilities, ensuring an exceptional experience.

Why Choose ACE Enrichment Academy? A Program Built for Your Child

ACE Enrichment Academy stands out for its flexibility and passion for learning:

- **Personalized Learning:** Students choose classes that match their interests, from coding to horseback riding, creating a day they love.
- **Expert Guidance:** Instructors bring real-world expertise, inspiring confidence and skill (e.g., a chef teaching cooking, an engineer leading robotics).
- **Holistic Growth:** Courses blend academics, creativity, and life skills, nurturing well-rounded individuals.
- **Community Vibe:** Lunch and recess foster friendships, while shared classes build collaboration across ages.
- **Flexible Options:** Whether one hour or a full day, families tailor the experience to their needs and budget.

ACE Enrichment Academy is more than a program—it's a place where students discover their passions and shine.
